

Dear Company Representative,

Thank you very much for your interest in the American Society of Mechanical Engineers Student Section at the University of Illinois at Urbana-Champaign. Our organization consists of 100+ active engineers with 90% being mechanical and 10% being electrical among other concentrations.

As a corporate partner, your company will receive different benefits such as an opportunity to host a General Meeting with our members, be mentioned in the footnote of our weekly newsletter, mentioned in our social media, and have access to the ASME resume book filled with top-tier engineering students.

Most of the funds will go towards projects for our Special Projects Committee who is in charge of our Engineering Open House Exhibits, our Competitions Committee who competes every year at the Regional ASME Conference, and our Outreach Committee which volunteers at a local elementary school to raise awareness on STEM. Furthermore, these additional funds will allow ASME to provide more workshops, training, and other resources to our members.

The general sponsorship packages we offer include the following:

Bronze Donor (\$500+)

- Host a general meeting to our members
- A place on the "Our Donors" page on our website,
- Weekly mention in the footnote of our newsletter and receive a letter of appreciation.

Silver Donor (\$1000+)

- Logo of your company on our Engineering Open House display
- Resume book of ASME members
- Mention in our social media
- ***All Bronze Donor Benefits***

Gold Donor (\$2000+)

- Logo of your company on our Competition's Robot
- *Specialized* resume book per company's request
- ***All Silver Donor Benefits***

We are excited to have you join our ASME family.

If you have any questions please feel free to contact our president Joanna Silva (joannas4@illinois.edu) or our VP of External Affairs (danall2@illinois.edu)

Sincerely,

ASME at University of Illinois at Urbana-Champaign
